Your Guideline Itinerary:

Monday: Departing from St Helens town centre we head towards the Ropemaker Hotel in Emsworth with comfort stops en-route.

Tuesday: After breakfast we visit National Trust's Uppark House and Gardens, a fine example of a 17th century West Sussex country house. Highlights are the Servants' Hall, where recent repair work has uncovered items illustrating the reality of life 'downstairs' in contrast to life 'upstairs' with its opulent interiors filled with purchases from the Grand Tour. In the afternoon we visit Chichester Cathedral. The building of Chichester Cathedral was begun in 1075 and the Cathedral was first consecrated in 1108. The architectural style is Gothic. It has a separate medieval bell tower, the only surviving one in England.

Wednesday: Today we travel to Fishbourne near Chichester to visit some impressive archaeology. Fishbourne Palace is the largest known Roman residence north of the Alps. It was accidentally discovered in 1805 and dates to 75 A.D. It has exquisite mosaics to view plus an on-site museum & gardens. It was originally a Roman villa & was so large when excavated that it became known as Fishbourne Roman Palace. In the afternoon we head towards Portsmouth for a harbour cruise

Thursday: Our final excursion is to the town of Arundel and its magnificent Castle. The history of this edifice dates back to 1068. The views from the castle embrace the River Arun and the South Downs. There will be time to visit Arundel which lies beneath the castle and stroll through this pleasant town with its historic buildings and independent shops.

Friday: Today we return home.

The Ropemaker Hotel is nestled in the picturesque coastal town of Emsworth. All bedrooms are ensuite with toiletries, smart TV, fridge with complimentary water, tea/ coffee making facilities and a desk.
